

The Math Race Game

With this fun game, your kid will feel more comfortable with addition and subtractions, but also multiplications!

Instructions:

- *Get white paper, pencils, black markers*
 - *Cut 4 sheets of paper in 20 sheets. On each sheet write numbers from 1 to 10 twice.*
 - *Cut a sheet of paper in 6 sheets. On each sheet write the signs "+", "-", "x".*
 - *Put all the sheets with the numbers in the bag. Put the signs ("+", "-", "x") in another bag.*
 - *Each player should take turns in pulling two cards from the first bag (numbers) and one card from the second bag (signs).*
 - *Place the 3 cards on a desk and ask your child to calculate the addition, subtraction or multiplication.*
 - *Put the cards back in the bags.*
 - *The first player to reach 50 wins the game!*
